

Accelerate Your Career in 2020

VIRTUAL CERTIFICATION

COACHING DUAL CERTIFICATION Jan. 22-23, 2020

Fine tune both your measurement and assessment skills by investing in yourself in 2020.

Become certified in the Awareness 20/20™ (A2020). This assessment is a tool that measures awareness, which we know is the super predictor of leadership success. And, in a double investment in yourself, also become certified in the Language of Influence™ (LOI). LOI is packed full of predictors for leadership success and helping individuals, teams, and organizations navigate change and transform in very practical ways.

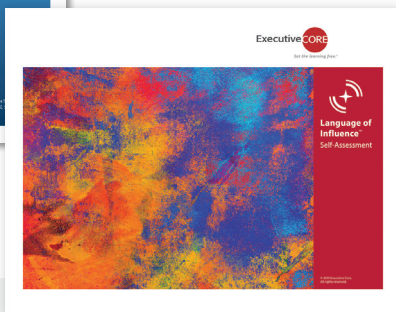

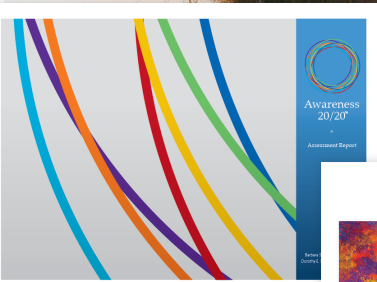

These tools are used by people who consult, who coach and also facilitate. Learn how to expand your use of metrics with clients.

Price: \$3600
(includes the A2020 and LOI assessments)

Deadline for registration: December 1, 2019
(Pre-class work requires a six-week window.)
